ATSIK/ OVE ARUP  
Potable water supplies for  
Kimberley Aboriginal Communities

The Malarabah Regional drilling program was managed on behalf of ATSIK/ Ove Arup as part of the RAESP program. This involved siting & construction of potable water supply bores for nine remote Kimberley Aboriginal Communities including:

- Bulanjarr
- Bidijul
- Djilimbardi
- Darlungunya
- Ngumpan
- Koorabye
- Yiyilli
- Pantijan
- Murphies Creek, and
- Ngalinkadji.

A drilling contract was let and supervised for construction and test pumping to identify yield potential. Recommendations were made for commissioning the bore/s into supply, including water treatment and improvements to existing or new infrastructure.
